

# QMI CVT-7000 MULTI-VEHICLE FLUID

— Fully synthetic

## Benefits

- Exceptional metal to metal anti-wear performance
- Improved anti-shudder
- Improved oxidation performance
- High and low temperature performance
- Exceptional anti-foam characteristics

## Description

A premium synthetic CVT fluid offering outstanding performance benefits. This well-engineered product is a unique blend of synthetic base oils coupled with a multifunctional additive system for unsurpassed protection and performance.

## Rigorous Performance Testing

Extensive testing demonstrates QMI's CVT fluid's exceptional performance in the laboratory and on the road. This product endures the industry's most severe wear tests to ensure that its chemistry and engineering will continue to meet or exceed stringent performance requirements set by manufacturers worldwide.

## Packaging

<u>Part #</u>	<u>Container Size</u>	<u>Package</u>
7001	1 quart / 946 ml	12 per case
7002	1 gallon / 3.8 L	4 per case
7055	55 gallon / 208.1 L drum	Unit
